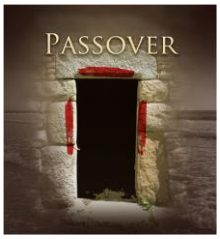
2015 WELLSPRING MINISTRIES IMPACT ON THE WORLD

Hello Friends,
My name is Dr. Art Mathias, founder of Wellspring Ministries. This year, instead of sending out an expensive year end letter we thought you might enjoy a short video instead.

Question? How is your fear and anxiety level? If you watch the news you know that everything seems to be upside down. Evil is being called good everywhere we look. It is hard to remember a time in any of our lifetimes when there has been so much turmoil in the entire world. Wars and rumors of war everywhere, terrorism, famine, mass immigrations, political upheaval, radical religions, and "climate change" etc. etc. It seems that no matter where we turn there is no peace or safety.

So what do we do? Where do we turn?

The Scriptures teach us to turn to our Messiah, the Prince of Peace. The Scriptures teach us to remember what He has done for us in the past because He will do the same in the future. This is one of the reasons why YHWH wants us to observe His Appointed Times. In these celebrations we remember His faithfulness of the past and rehearse His faithfulness for the future.



Last spring we celebrated Passover where we remember how YHWH rescued His people from bondage and slavery; how YHWH saved us and then offered to become our Husband and gave us His Word or Torah as a wedding gift. We remember YHWH's faithfulness past, present, and future. If you want to experience our Passover Celebration click here: http://akwellspringchurch.sermon.net/main/main/20359332

At Pentecost we celebrated His Word and His Spirit that lives in each of us.

In September at Trumpets we celebrated the Messiah's birthday and His first coming with an incredible worship musical and play called Worship YHWH. This is an incredible two hour celebration of how He has consistently rescued and provided for us from the very beginning of time. Again here is a link if you would like to see Worship YHWH.

At Yom Kippur or Atonement we spent time making sure we are walking with Him according to His Covenant. What a great time of repentance and refreshing. James 4:8 tells us that if we will draw close to Him, He will draw close to us. At Sukkot or Tabernacles we celebrated His future second coming, when He will come and live with us and set up His earthly kingdom.

These Appointed Times were given to us so that we would never forget His faithfulness past, present or future. They are some of the most meaningful experiences I have ever had.
Throughout 2015 we were once again privileged to have a part in expanding His Kingdom. With your help we were able to minister in many places:

Peshawar, Pakistan - 12/16/ 2014 More than 141 people, mostly children ages 8 to 15 years were killed when Muslim gunmen entered a Pakistan Army Public school murdering other Muslims. About 250 more sustained severe injuries. Pastor Khalid in Pakistan was able to deliver **$7000** that you helped us raise to the families of the Peshawar massacre. *We were the only people in all of the world that has reached out to help.* Khalid did several TV and newspaper interviews telling people what Wellspring is doing. This is an extremely dangerous Taliban area for even Pastor Khalid to travel into. It is an area that has been closed to the gospel, but now Khalid has an open door to travel back and minister whenever he wants to with the full protection from the army!! WOW! What an answer to prayer!

Wellspring Church Pakistan:
Dr. Jefferson has been able to secure land twice as big as he hoped to build the first Wellspring Church in Pakistan!! This only happened because of your faithfulness. There are now five Wellspring Churches in Pakistan and thousands are learning about the Good News. Next year we plan on starting four more churches. We are doing monthly Wellspring conferences, free medical camps, language classes and feeding orphans and widows.

Pastor Joseph Chege

Pastor Joseph in Kenya has been very diligent about teaching Wellspring to many villages in his area. In doing this he has seen God do many miracles in his war torn country. He also has a vision of expanding his orphanage to 20 children. We helped Pastor Chege buy a four acre farm to expand the orphanage and also to raise food to eat and to sell. Now they have a home, an orphanage, a farm and a business!

Pastor Daniel in Kathmandu, Nepal has been teaching Wellspring conferences and is seeing many receive healing spiritually, emotionally and physically. He works with more than 26 congregations in Nepal and many others in other countries.

This year he was able to purchase the water truck from your donations. It was ready to begin servicing many homes with good water when the 7.9 earthquake hit Kathmandu. For two months Pastor Daniel and his team delivered water in the midst of the crisis free of charge. Since September there has been fuel rationing because India has blockaded Nepal's fuel, oil, food and medical supplies. The water truck can only get four gallons of fuel at one time.

When the earthquake hit in April we asked if you could help us raise $10, 000 for food and water to be distributed by Wellspring Ministries in Kathmandu. We were able to raise over $30,000! Thank you all!! This has opened the door in many ways for Pastor Daniel and his people to minister! Continue to pray as the situation in Nepal is desperate.

Pastor Joe and Susan John along with his team at **Wellspring Ministries of India** have taught several Wellspring conferences, translated books and have been instrumental in healing and leading thousands to Yeshua.

Jenice was a Hindu and is now a Christian! Dr. Art filmed her testimony in 2014 while in India teaching conferences. See link:

Judy Whitener

Wellspring of Mexico *under the* leadership of Judy Whitener. She is seeing broken hearts healed and set free physically and emotionally through conferences and Schools of Ministry in Guadalajara. We have printed over 5000 Biblical Foundations of Freedom books in Cuba along with teaching conferences.

In the US we have taught many conferences, schools of ministry and ministered to over 5000 one on one counseling sessions. We have trained over 80 people just this year to be counselors, who are now multiplying His work of healing the broken hearts and bodies.

This has been a very brief summary of how we all have been working hard to build His kingdom. In doing this we have also faced many challenges. We are still in the midst of the biggest challenge that we have ever faced. The tenant in our building moved last June and we still have not found a replacement. Currently we are borrowing over $30,000 per month to continue our work at Wellspring Ministries. At times like this it is critical to remember His faithfulness. Please pray!

I want to thank each of your for being part of Wellspring and most importantly being part of His Kingdom. We are very grateful for your prayers and support.

At times like this it is easy to let fear and anxiety take over. So I would like to close by leading us all in a prayer of thanksgiving for what He has done and in repentance for any way we have allowed fear to come in?
Let's pray: Father we thank you for what you have done for us in the past and in this last year. I now purpose and choose to repent for being afraid of the future, for not fully trusting YHWH to provide for all our needs. I choose to remember His faithfulness in the past. Satan, in the name of Yeshua I command your spirit of fear to go now. I trust Yeshua! Holy Spirit come and heal our hearts and tell us Your Truth about the future……

May God Bless and Keep each one of you throughout this next year!
