WE ARE GRATEFUL!!!

July 2021

Dear Friends,

I am sitting here on a Sabbath morning, amazed at what we have accomplished together over the last few years. Together we have established ministries all over the world, trained over 1200 ministers, taught 100's of seminars, built orphanages, schools, churches, coffee shops, fed the starving, printed books in 15 languages, bought motorcycles, water trucks, farms, irrigation systems, and 1000's have been saved and healed physically, emotionally and spiritually.

Then let's add to this all each of you have accomplished for the Kingdom! What a joy to serve in His Kingdom!

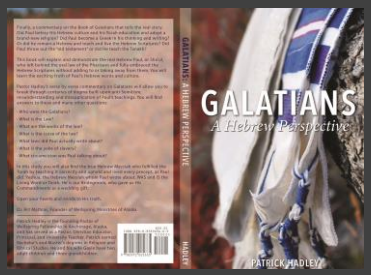
Additionally, in the last year we have sent out over $80,000 to several nations to feed the starving from the lock-downs and are currently finishing a school building in Kenya. Here are pictures of the progress:

The school building project you helped to support in Kenya. Here are pictures of the work in progress: Footings have been dug; foundation walls have been built; slab has been poured. Erecting walls is next. And everything is done personally by hand!

This is just the beginning—The needs are huge—The lock-downs are continuing—Yeshua is returning soon—The fields are ready for the harvest!

There are still starving people that need help. Many governments are making it very hard for believers to survive.

Pastor Pat Hadley's book "Galatians - A Hebrew Perspective" is at the printer! This is a book we have been waiting for years to complete. It answers all the hard questions in Galatians.



Wellspring's Children's curriculum is almost ready to release. What an incredible opportunity to demonstrate to children how to make good choices. It is written by teachers for teachers. This is the most incredible curriculum I have ever seen! One of the resources for this curriculum is our children's book, "Which Do You Choose?":

Here is how you can continue to partner with Wellspring:

We still need to help feed those who cannot feed themselves. We do this through Wellspring Ministry offices in several countries. Every penny goes directly for foo The need is huge. Send whatever Yehovah asks you to.

We need $12,600 to build the Pakistan church. What a privilege to be able to build a church building and have a trained pastor ready in a Muslim country!

It is going to cost $4500 to print 1000 copies of "Galatians - A Hebrew Perspective", one of the most important books ever written. How many copies would you like at $20 each (plus S&H)? Shipping will be available within a month or less.

The Children's curriculum is 35 incredible lessons written by teachers for teachers showing and demonstrating how to make good choices. This is life changing for the children and adults. There are over 400 full color pages in these lessons. We are about ready to contact our printers for bids, so at this point we do now know our costs but we are willing to sell a few copies now for

$400 each (plus S&H). Buy your own copy for your Sunday School class. Adults will love it too. Shipping will be early fall.

Please hit the button below to select your support in one or more of these projects!
We are THANKFUL for each one of you.
Thank you! May Yehovah bless and keep You!
