"Understanding is a wellspring of life to him who has it..."

November 2015

Two Very Important Weeks

by Janice Coulter

Perhaps Yahweh has put it on your heart to attend the two-week Wellspring School of Ministry and you are wondering why? Below are five points intended to encourage you to get motivated to sign up and come to Alaska for a face-to-face experience with God Most High.

1. This two-week school is based on the inspired book Biblical Foundations of Freedom by Art Mathias. This book is a best seller, selling over 100,000 copies and printed in numerous languages worldwide, appealing to cultures across the globe.

2. These two-weeks are actually a Bible Study course and ministry training conference where you will get and give one-on-one ministry. One of the highest forms of worship is the study of HIS Word! HIS Word is front and center in all that is learned during this 10-day experience.

3. You will leave this two-week experience in a spiritual and emotional condition better than when you arrived. Hearts will be healed, bondages broken, captives set free. Dead relationships restored, hope renewed and authority in Christ strengthened - ready and equipped to use the keys to the kingdom. Your peace and joy will increase and you will learn how to keep what you find as you step away from religion and step toward a face-to-face relationship with God Most High.

4. This two-week experience is designed to build and strengthen a unity in the Spirit with believers from around the world, seeing our God is the same in every culture. You will learn to hear and trust the Spirit of the Living God as you participate in one on one ministry, with prayer as the vehicle of communication with the One who restores and renews.

5. This two-week experience will equip you for a lifestyle of forgiving living. You will be prepared for a ministry that goes anywhere and works everywhere with every nation, tribe and tongue.

"And they overcame *and* conquered him because of the blood of the Lamb and because of the word of their **testimony**, for they did not love their life *and* renounce their faith even when faced with death."

Revelation 12:11

Your life will never be the same. Your eyes will be opened, your ears will be opened, your health will improve, your relationships with God, yourself and others will improve. You will see the effective results that changing your thinking and your choices to line up with HIS WAYS will bring into your life. Come experience the Wellspring two-week School of Ministry.

DATES FOR NEXT SCHOOL OF MINISTRY:
MARCH 7-18, 2016 and JULY 11-22, 2016

Wellspring School of Ministry Testimonies:

"I thought I was living a Christian life, but soon realized I didn't believe that God was only a giver of good things, so I chose to be a victim of sin and agreed with the devil's plan for me. A**norexia and binging** started in high school while I was doing modeling. I was in torment until I was deathly sick at 90 pounds and 5'11". Through many doctors and counselors I gained some help, but not lasting long enough to get me healthy and off anti-depressants. A friend asked me to come to Alaska with her to the School of Ministry. We stayed in a "hand-i-cap room" because we were both very weak and didn't want to fall on stairs or in a bathroom. The school started off with classes about our body's connection to fear and stress and the effects of it on our body. Wow, did I know that! Then I learned that God ***is*** the giver of every good and perfect gift. I had been blaming God for my circumstances, instead of the enemy! Sin was keeping my body sick and when I repented for blaming God, my heart was healed. After the first week of the school my friend and I were both healed enough, we changed hotels and got a nice room and a pool! By the end of the two weeks, I was a new creation I had been born-again, healed of the stomach issues and able to eat all foods! I am taking responsibility for my life, my marriage has been healed and medication for anti-depressants is going lower and lower. As I continue to seek Him, He shows me the way and never leaves me." C N – Washington

"Before Wellspring, I was a **broken, drug addicted** and **people addicted** person. I was "frozen" on the inside full of **anxiety** and **fear.** I was "faking it" through work and self-bitterness. Wellspring prayer counseling helped me identify thoughts that were controlling my life. I gained awareness that my thoughts were either of God or of Satan and I was indeed in a spiritual battle. I learned I had a role to play and I get to choose which it is going to be. Through seeking God's truth and specific intentional prayer God saved me and is sanctifying me. Healing has been a process and I continue to do the work by taking every thought captive and release what is not of God. Fears, anxiety and worry no longer rule my life or make my decisions. I have even been able to **quit smoking**. My relationships are healed and healthy. Work is a blessing and most important, I am secure in Him. Since attending the School of Ministry this year, I am involved in helping others find the same joy and peace that I have." C P - Arizona

WELLSPRING in MEXICO

Mexico Mission Team Update

The team of youth and leaders headed to Chapala, Mexico, at the end of November has raised all their funds to cover their travel and lodging expenses. Thanks to God and to all who have supported the missionaries in their fundraising efforts! The team has been asked to bring specific personal care items, if possible, to benefit the residents of the orphanage. Please consider making a monetary donation by November 15th so that they may purchase these specific items in bulk to pack and take with them. When you make a donation by check, credit card, or online, please include a note on your donation that reads "Mexico Love in Action" so that we can appropriate the funds accurately. Thank you for your faithful support and prayers!
