Understanding is a wellspring of life...Prov. 16:22

Wellspring Ministries Begins New Year with Seminar

Wellspring Ministries began 2007 with a four evening seminar in Anchorage, Alaska. Here are a couple testimonies that we would like to share.

"I began praying about dad (forgiving him) during the daytime. By the time I was getting ready to come to the evening seminar—my Dad called me! That never happens. That evening I realized the pain in my knee (from an old injury months before) was gone! Praise God!"

"The Lord spoke to me many times about how much He loved me and protected me during my days growing up in a very rough home. I never realized how much Jesus loved me then and still loves me now. His love is more than I can possibly thank Him for. He has given me love and compassion for me to give back to my family. True forgiveness is when you can turn around and give genuine love to those who have hurt you."

We are beginning a twelve week DVD "I Found Freedom" series at Wellspring Ministry Center on Tuesday evenings at 7:00 pm. God is using new people who are catching the vision of forgiveness and repentance in brand new ways to reach out in their communities. We are thankful for you and what you are doing in your community to share God's love and compassion to a hurt and dying world.

Wellspring November School of Ministry Testimonies

"God is mighty, to the pulling down of strongholds." I knew that truth before - but after these two weeks I know it, I experienced it and Hallelujah I will never be the same! Confessing my sins to another is powerful and right. It allowed the devil's agenda in my life to be brought in The light - into the True light that shrivels and ends evil and that is life and love to a heart that seeks God. My experience was a powerful inner cleansing, a re-creation of the way I view myself and therefore viewed the world. The evil agenda was to convince me I was dangerous and life events and the people in them were manipulated to reinforce that lie. It is so clear now. The deceiver works vigorously and relentlessly but Jesus is Greater! God's light, love, life and mercy allow for all things to be made new; for my very mind to be transformed." (OR)

"As a child I was expected to be cute, quiet, and sit still. I had "cut myself off" from feelings in my body to the extent I feel nothing from the neck down unless it is pain or itching. I came to the realization that many of my health problems; back pain, sciatica and gastric reflux seem to be related to my ignoring how my body feels unless things go very wrong. This forces me to self-medicate so I can ignore my body again. Going through prayers of breaking vows, bitterness, and self-bitterness helped me to relax enough that I actually feel clothes touching parts of my body, the palms of my hands feeling of relaxation and relief from tension in my back - that resulted in less back pain. Praise God."

PRAISE REPORTS FROM WELLSPRING SEMINARS

"I was scheduled for major surgery a week before the seminar in Joliet, IL and my doctor had to reschedule it for after the seminar. I prayed through a lot of issues at the seminar and now I do not need the surgery. My fibroid tumors are shrinking and are not painful." (IL)

"My 11 year old son is the happiest he has been since he was 4 years old. He hugs me all the time now. My 16 year old daughter insists on us forgiving her. A friend at work is now going to do the Foundations Study and is not hopeless anymore. He has faith that God is going to heal him. I am excited about this ministry! Thank you for coming to Joliet." (IL)

"We are doing better and better. I am still getting healing and deliverance. I am seeing how easily I can do this ministry. I am grateful for all we have learned and we are able to apply it to our lives and others." (WA)

"I have been healed of adult diabetes I have had for twelve years since attending your seminar and School of Ministry! Praise the Lord." (WA)

"Thank you so much for caring enough to have this ministry of prayer. Since the seminar in Hilton Head I say to myself all the time "Nothing happens until we pray". (FL)

"Thank you for coming to our church. Your ministry has completely altered my life. I was one that was living with a mind that constantly attacked me. Since attending two seminars and the School of Ministry I now want to become a certified prayer minister. This is very unlike the woman I used to be. Thank you for your example and showing me how to have true fellowship with the Holy Spirit. The overwhelming beauty and richness of Him astounds me and is the most wonderful thing I have ever known. There is no way on earth to thank you for Wellspring and what has changed in my life!" (SC)

"Two weeks prior to attending the "I Found Freedom" seminar in my church I was diagnosed with micro-aneurysms behind my right eye. The doctor said I needed to come back in three months. I attended the seminar in August and returned to the doctor the end of November. He said, "they're gone!" I said, "Praise the Lord—Jesus healed me may He receive all honor, praise and glory." (IL)

"I really enjoyed Art Mathias' teaching at the seminar this past summer. My daughter was healed of scoliosis. It was awesome. I also rededicated my life back to the Lord the first evening service." (AK)
