School of Ministry Testimonies

May 2007 Anchorage, Alaska

"This ministry is what the 3rd World countries need. I am blessed to be able to see healing in my own life and family. I praise God for this supernatural change in my thinking of people."

"I have learned so many things at the School of Ministry. I can forgive from my heart now and have canceled the bitterness of the past. I understand my daughter and I and can forgive and show love."

"Don't limit God is my testimony. I stand in awe of how the Lord showed me how our lives are like layers of dirt. As time passes, the earth takes on characteristics of history in a tangible manner. Scientists can tell you through smell, sight, touch and composition that even the smallest of details of history and activity can be revealed of what was happening at any given time. These things are also hidden in the soul. I see the 2nd week of the School of Ministry as plowing up the fields in our lives. By repentance and forgiveness we remove the weeds, rocks and dead matter. After the plowing and sifting, we can have nutrients added back into our soil, watered by the Holy Spirit so that our soil can be healthy, ready for the Lord's seeds and able to yield good fruit."

If these reports are encouraging to you—please consider coming to our next school! Sign up now **November 5- 16, 2007**. Registration forms are available on our website under Training Center.

Kris Gugel, RN teaching

FEAR, STRESS, PHYSIOLOGY and ANATOMY

This 4 hour DVD teaches how fear and many other stressors affect our immune system, nervous system and endocrine system. You will learn how our bodies are made and how stress and negative emotions affect its function and create disease. This teaching will build your faith for healing.

Available on our website store www.akwellspring.com/store **\$70.00**

WELLSPRING PRAISE NETWORK

TRUDY'S STORY

I had sunk deep into depression because of the lack of mobility in my back from a car accident that left me in pain and my health was declining rapidly. I had developed about ten different diseases and felt they were all coming from the accident.

My husband brought home a book called, Biblical Foundations of Freedom and said, "I think this will help you - this is what we have been searching for." My pastor's wife was helping me get things straightened out spiritually and emotionally- but suggested I go to Art Mathias directly as she knew I had deep fear issues. My first visit with him - spoke volumes to me as I sensed his "father's heart". He asked me what I was afraid of and we began going through the Fear chapter and I marked off just about every one listed. I can honestly tell you today that the fears are gone because of repentance and forgiveness toward those who had hurt me; and most of all, forgiving myself for choices I had made. I was not only healed of the depression immediately, but also of asthma, hypothyroidism, respiratory allergies, sinus allergies, migraines, irritable bowel syndrome, pro-lapsed valve syndrome and TMJ.

My back was not healed at that time - however over the next two years my back was healed in stages just as God had promised me. Through a series of events, people in my life, and special healing services at church I was healed of all the pain I had and lack of mobility in my back and neck. I have been totally and completely HEALED!!!! I am starting to feel my muscles again. I am so overwhelmed with gratitude to the Lord and the thought, "HE has healed all my diseases!"

The enemy knocks on the door but I refuse to open it! **That is the key.** Had I not had the groundwork that was laid by working through my past wounds, rejection, bitterness, unforgiveness, self-hatred, and all their attachments, I truly believe that this total healing would not have been able to take place. I did not get to where I was overnight and I didn't get to where I am today overnight. It comes through living a lifestyle of repentance to our kids and others when we hurt them. It comes from forgiving ourselves when we make a mistake. It comes from forgiving others when they hurt us. Do I still make mistakes? Yes. BUT, we overcome the enemy by the blood of the Lamb and the word of our testimony. Trudy B. (Alaska)

PRISON TESTIMONIES

"I am an inmate in South Carolina going through your study of Biblical Foundations of Freedom. I am a saved Christian young man and am so thankful for your ministry. Street sermons don't teach you about who the real enemy is and how to defeat him, but Wellspring does. When I leave here I want to show my family and church what has changed me." (South Carolina)

"We have forty-five inmates consistently attending the Wellspring teaching at a correctional facility in South Carolina. They are coming to grips and taking responsibility for their sins. They have asked us to teach it again and many want to repeat the lessons and learn to lead the course inside the prison. Not just to keep what they learned for themselves but share it into the lives of others. We have been ministering in prisons for awhile and know the difference in jail house conversations and real salvation. This teaching is making real the salvation of many." (South Carolina)

BOOK TESTIMONY

I was suicidal for nearly 4 years and I knew the way I was living was not what God intended for me. Your book, Biblical Foundations of Freedom was the only book that had in writing the thoughts I had. I was able to apply the principles and knowledge that your book spoke about; know how the devil lies, and how to apply the power of God's promises. After just four days of reading, I was completely set free. You have no idea the peace that I have regained in my life. My life that was saved, and a marriage instantly healed. I have several friends who suffer horrible depression that urgently need to read this book and I believe they can all be set free in the same way I was. Thank you Dr. Mathias and Wellspring. (South Africa)

SEMINAR TESTIMONY

I had many medical conditions to which I was hospitalized a couple months ago and had taken the Wellspring bookmark with me from your seminar. I prayed and repented and was healed in a matter of days. I continue to look back, identify and pray and know that I am getting stronger each day. (Washington)
