Understanding is a wellspring of life...Prov. 16:22

The Kingdom of God by Dr. Art Mathias

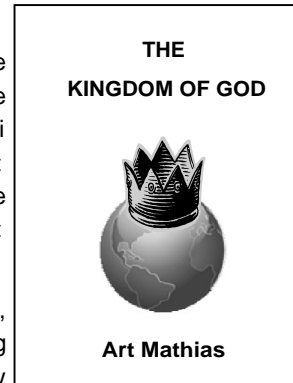

Several months ago as I was seeking God for more, He led me to a study of the Hebrew roots of Christianity. Earlier this year we were in Washington State teaching a seminar at a "Hebrew Roots" congregation. The pastor of El Shaddai Ministries, Mark Biltz challenged me to learn more about the cultural context of the Bible. He encouraged me to read and study several books which have greatly blessed me (listed on page 3). This has been and is one of the most challenging and exciting studies that I have done.

This teaching was used as a dedication for Wellspring Church on September 9, 2007. I do not believe that it was an accident that we dedicated Wellspring Church at the time of the Feast of the Trumpets or Yom Teruah on the Hebrew calendar. This "feast" or more appropriate "appointed time of the Lord" was the beginning of the New Year for Israel. It was also the time that Israel and Judah would enthrone their kings. The fall "feasts" or "appointed times" with the Lord also marked the announcement by Yeshua Jesus in Luke 4 that He is the Messiah and what His message is.

In Matthew 6:9-10 Jesus instructs His disciples to pray "...Our Father which art in heaven, hallowed be thy name. Thy kingdom come. Thy will be done on earth, as it is in heaven." I know we have all prayed this hundreds of times but do we really believe or even understand what we are praying?

A few years ago I heard what I considered to be a very radical thought that His will should actually be done on earth today as it is in heaven. This sermon challenged me greatly. But today, after several years of actually experiencing His will being done in the lives of thousands of people, it does not seem to be so radical. My experiences over the last few years have led me to another question, which may be even more radical; can we actually experience His Kingdom on the earth today?

WELLSPRING PRAISE NETWORK

SPANISH VERSION OF BIBLICAL FOUNDATIONS OF FREEDOM

Dr. Bruce and Katie Kniegge have introduced Biblical Foundations of Freedom into two men's rehabilitation centers—one is a seven month program and the other is a one year program and also into the women's prison ministry in Costa Rica where they are medical missionaries.

PRAISE REPORT FROM ARIZONA PRISONER

"It has been four years of victory using Wellspring materials ministering to inmates. I am immensely grateful to the Lord for restoring the lives of thirteen inmates and more in other places. Foremost we have led eight men to the Lord with four physical and spiritual healings. Recently I shared Biblical Foundations of Freedom with an inmate while the Lord healed him from diabetes, bitterness, anger, etc. using the book. Again, thank you and may God be glorified." - Prisoner from Alaska/Arizona

PRAISE REPORTS FROM PRAYER COUNSELING—GEORGIA

"Physically I have been healed of chronic sinus infections, asthma, allergies, depression, migraines and eczema. I had fears in every area of my life—financial, emotional, inadequacy, failure, the list was long. No more. I forgave and repented of these fears and now I am healed."

"I have seen multiple psychiatrists and psychologists throughout my life, but no one before has been able to make such a profound difference in my life. They helped me remove the things from my heart which have plagued my all my life through repentance and forgiveness."

"Through prayer ministry I was able to receive the Father's love and personally take it to my heart. This was dramatic in my life and radically different—that I didn't have to strive, do, earn or perform my way through to be loved and accepted by The Father. Satan had lost his power over me. My asthma—gone, chronic back pain—gone and insomnia—gone!"
