"Understanding is a wellspring of life to him who has it..."

AUGUST 2015

Dear Wellspring Ministries Supporter,

Wellspring Ministries is 16 years old already! In this time we have ministered to hundreds of thousands of people; observed thousands of miracles and healings and many tens of thousands have learned to walk with YHWH. During this time YHWH has always provided and we have always had enough to pay all our bills and ministry needs.

Almost ten years ago Wellspring purchased a large building to use for its offices, schools, church and also for rental income. Our goal was and is to have at least $15,000 a month to spend on ministry. In the last 5 years this has worked out very well. But now we are facing a huge challenge and need your prayers.

Our long term tenant moved in June. Even though we have aggressively marketed the space for over a year we have not been able find another tenant.

Without a tenant or a miracle we cannot pay our mortgage payment. Please pray for His provision to continue our work. The enemy is doing all it can to steal, kill and destroy, but YHWH is still the one true God!
Thank you!

Dr. Art Mathias,
Founder

"The Spirit of the Lord is upon me, because He has sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind. To set at liberty them that are bruised, and to proclaim the acceptable year of the Lord."
Luke 4:18,19

WORSHIP YAHWEH Sept. 12th & 13th

We live in a very exciting time in History! The forces of good and evil are clashing like never before. The moral and physical decline of America and the world is continuing at an incredible pace. Evil seems to be winning in every direction that we turn and it is very easy to become discouraged and lose hope.

But YHWH is not surprised and He has a plan. There have been many dark days in the past that He has always brought His people through. YHWY has been giving us His direction in many ways. We have His Word that provides light to our path and health to our bones if we do what it says.

He has been communicating in spectacular ways recently with the Blood Moons, the Shemitah year that ends on Sept. 13th, the Jubilee that starts ten days later on Yom Kippur and many other ways.

In 2001 YHWH instructed me to write a musical and play re-creating the worship service in heaven as portrayed in Isaiah chapter 6. We had over 2000 people attend this incredible service in Anchorage at that time.

Now He has asked us to do bigger and better to worship Him and to celebrate His provision for His people.

On September 12th & 13th, during the Feasts of Trumpets we are again presenting Worship Yahweh in two performances. Mark your calendar. You do not want to miss this very special worship service on His very special birthday!

You can attend in person or watch on live stream broadcast, which will be archived so you can watch it any time. The times and place is printed below. Follow the link for a promotional video, posters, touchcards and other materials that you can download.

This will be a highlight of your year!! Don't miss it!

TESTIMONIES FROM SCHOOL OF MINISTRY GRADUATES:
Had a deep wound surrounding my mom's death. I felt responsible. I had deep regret at some decisions I had made on her behalf that lead to her death. I had anger and unforgiveness toward the mental hospital that she was in, and let her die without any medical care. The hardest though was unforgiveness towards myself in letting her down. I went through many prayers around this situation and got breakthrough and deep healing. I have had neck pain for three years to the point where my range of motion was impaired. It hurt just to turn my neck. I did not connect the dots at all. After getting the healing I realized a few days later that my neck pain was gone. I could turn my head without pain. Bonnie - Oregon

I was freed from a religious spirit in areas of my life where I judged others, or believed lies about inferiority of women, and I felt I didn't measure up to expectations that I had set for myself or that others expected of me. I forgave people who had put expectations on me that were "religious" and not necessarily from the Lord. I feel freed from the "should" mindset, so I can live authentically and unapologetically. The sin of comparing myself with others was healed. I am able to recognize accusing spirits and their negative thoughts about myself and about others, and I can silence them. I am enjoying the state of "homeostasis", the peace that we talked about in the Healing School a few weeks ago. The most impacting area of healing for me was in the area of fears and dread. I got to the root of fear and received deliverance and healing. I notice a difference in my blood pressure, my ability to sleep through the night, my sense of well-being and joy. Praise the Lord!
