"Understanding is a wellspring of life to him who has it..."

August 2016

Wellspring School of Ministry July 2016 Testimonies:

Wellspring School of Ministry has been teaching people all over the World how to forgive! The results have been astounding. Our two week training has had over 900 graduates with wonderful testimonies of God's healing power to transform lives through forgiveness. Here is a taste of the transformations from our July class.

What was most significant to you during the two week School of Ministry?

"During the 1-on-1 training sessions I received significant freedom from traumas. I was blessed to learn how to help others be free as well. I gained confidence." D. - CA

"This training opened my eyes to a clear and refined vision of the power of the Holy Spirit. More understanding of the wicked ways the enemy has control over people. I am able to confidently pray for myself and for others. My feelings? ***I have extreme joy*** *– crying while I write this!" M. - AK*

"I didn't grow up with a Dad, thought I could carry the load by myself. From the 1st week, I was open to be vulnerable. I repented of not needing a father. ***Immediately I felt my back, neck and jaw relax! No more TMJ! Also felt my intestinal tract calm. I also received freedom from allergies/fears.****" M . - CA*

"I usually dream in color and my dreams have been fading like an old movie. This week the dreams are vivid and give me life! I have been freed from the fear of asking questions! I always have gone to the teacher's desk to ask questions, not

raise my hand or speak up. ***I am amazed at myself the difference this class has made.*** *Thank you again!" T. - AK*

"I was raised Catholic in a Catholic school. I was left-handed. The nuns made sure I wrote with my right hand and would slap me with a ruler if they caught me writing with my left hand. This caused pain, embarrassment, bitterness and self-bitterness. A spirit of confusion also entered me at this time. Fast forward 52 years and I was diagnosed with early onset Alzheimer's with medication. It took several prayers of repentance and forgiveness and then cancelled the debt to me by the blood of Jesus for the spirit of confusion. ***I received a miraculous healing! I felt a zap of electricity go through my head and it lasted all night. My brain was getting re-wired! I have a new clarity that I haven't felt in many years!"*** *R. - FL*

"Self-conflict was huge for me during the school. The first week I received a paradigm shift through Hebrew interpretation of the wedding vows. It was so intimately beautiful. I had been feeling guilty for coming to the class (several reasons) and right in the middle of the teaching, He whispered to me..."thank you for coming!" All guilt was gone! The concept of God doing things in cycles was also very important to me. That means, He is always there, He will never leave me and I am included in those cycles!" K. - AK

The Ministry of Shalom

by Pastor Pat Hadley, Wellspring Church

Shalom is a beautiful word. Although it is commonly used as a greeting, a farewell, or simply a blessing, it is an extremely powerful word. *Shalom* is often translated as "peace," but it's true meaning is much deeper and stronger. *Shalom* is a mighty blessing! *Shalom* simultaneously carries the meanings of: completeness, wholeness, health, peace, welfare, safety, soundness, tranquility, prosperity, perfectness, fullness, rest, harmony, the absence of agitation or discord. In Hebrew, *shalom* is made up four letters, each letter having its own picture:

- Shin – (teeth) picture of destroying / consuming
- Lamed – (staff) picture of authority
- Yod – (nail) picture of attaching / connecting
- Mem – (waves) picture of chaos

Together, shalom is the picture of *destroying the authority connected to chaos!* This is truly the ministry of Yeshua, who came "to destroy the works of the devil" (1 John 3:8)

In Isaiah, our Messiah is called: *Sar shalom* – the Prince of *Shalom!* Following Him and His ways is the only way to experience the reality of *shalom*. So, our ministry as believers, as with the Messiah Himself, is to experience and help other people to experience *shalom* in every area of their lives.

This is the reason Aaron and his sons were told to bless Israel with these words:

Adonai bless you and keep you!
Adonai make His face to shine on you and be gracious to you!
Adonai turn His face toward you and grant you shalom! (Numbers 6:24-26)

So...SHALOM to you!

I Found Freedom & How to Minister Conferences

We are planning upcoming conferences in Nepal and Singapore for pastors and leaders. This will be by invitation only to those who have already attended classes on church growth, strategy, missions and evangelism. We will be leading these pastors and leaders in forgiveness and repentance with the Wellspring model of prayer. There will be freedom from bondage, healing from sickness and reconciliation of relationships. They will bring God's plan and purpose of their health and blessing to their congregations. This conference will equip them mightily under the power of the Holy Spirit - be life changing, revitalizing, and life-constructing to their spirit, soul and body.

Scheduling is for three days of teaching and prayer. We will be doing three conferences two in Nepal and one in Singapore. Costs will cover meals, accommodations (for those traveling far distances) and class materials.
