# WellspringMinistries

"Understanding is a wellspring of life to him who has it..."

**February 2016**

## *True Life*

Our God is the God of Creation and the God of life. He is all about life. Yeshua said, "I have come that they might have life, and have it abundantly!" (John 10:10). This life from God is eternal, filled with true joy, and freedom from the bondages of the devil. The Scriptures tell us to

*"Guard your heart diligently, for from it flow the springs of life" (Pro. 4:23).*

We are to guard our hearts from the ways of the evil one so that we might experience life!

*Wellspring is about life! As people learn the ways of God and how to practically obey them, they experience abundant life.*

They are delivered from the bondages of evil. They are freed to serve God in joy. Relationships are transformed. Lives are healed. The wellsprings of life are opened up and the Living Water of the Holy Spirit is free to flow.

May you know the Living Water, and may you walk in the obedience that brings true life!

Pastor Pat Hadley

## Wellspring Ministries in Kenya Answer to Prayer!

Pastor Joseph Chege received an answer to prayer from our last newsletter in January! He is getting ready to teach several Wellspring Conferences in Kenya and is in need of books. Here is the answer we received:

*Dear Art,*
*As I read the January Newsletter, I felt I could give some of the Biblical Foundations of Freedom books I printed here in Uganda with your permission to the Kenyan brethren.*

*I still have over five hundred and I am proposing to give them one hundred of these. Please Art allow me to do this free of charge and I will only ask Pastor Joseph to pay for their transport or come himself and pick them physically from Kampala, Uganda.*

*I would also request the Wellspring family to pray for my wife Margaret who underwent surgery for a hysterectomy on 18th Dec. 2015, she is recovering steadily.*

*My regards to the Wellspring Family.*

*Pastor David*

Thank You David and Yeshua!

*"Dear Beloved Friends in the Kingdom!*

*Greetings in the most exalted Name of Yeshua Messiah! I pray and believe this praise report will reach you healthy, prospered and blessed. Life is full of challenges, but by His grace we will over come them if we continue in the faith in the word, and fellowship with Him for He is the God who sustains!*

*I have been traveling ministering to youth, speaking in churches, open healing meetings, teaching at Bible schools and seeing wonderful results. People are delivered, healed and restored. All Mighty God be praised and glory!*

*I appreciate you for all your prayers and support. This enables me to support conferences, Bible Schools and youth meetings. Without your prayers and support it would not have been done. Thank you so much for standing with me.*

*Here are a few photos to encourage and boost your heart for missions to lost souls and train people for the work of the ministry."*
