Living On Purpose

by Pastor Pat Hadley

One of my favorite stories is of a rabbi who lived in a Russian city a hundred years ago. He became disappointed by his lack of direction in life, and he found himself wandering aimlessly one chilly evening. With his hands deep in his pockets, he walked through the empty streets, questioning God and even his calling to ministry. He felt so lost that he mistakenly wandered into a Russian military compound off limits to civilians.

Suddenly, the bark of a Russian soldier shattered the silence: "Who are you and what are you doing here?"
"Excuse me?" the rabbi replied.
"I said, Who are you and what are you doing here?"
After a brief moment, the rabbi asked, "How much do you get paid every day?"
"What does that have to do with you?" the soldier barked back.
The rabbi said, "I will pay you the same amount if you will ask me those questions every day: Who are you, and what are you doing here?"

What a great reminder! We who are followers of Yeshua the Messiah are people with a purpose. In fact, we have the greatest purpose on the planet. We are called to be light and salt, to re-present the King of Glory through all our days on earth.

Here at Wellspring, we take this purpose seriously. Specifically, we believe that Yeshua has called us to continue His mission, as He said:

The Spirit of the Lord is upon me,
Because He has anointed me
To preach the gospel to the poor;
He has sent me to heal the broken-hearted,
To proclaim liberty to the captives
And recovery of sight to the blind,
To set at liberty those who are oppressed;
To proclaim the acceptable year of the Lord." Luke 4:18-19

One of the biggest ways we "heal the broken-hearted" is through our daily prayer counseling. People come in for appointments or call in from all over the world to receive freedom and see their hearts healed and miracles abound! (*See testimonies under School of Ministry*)

This month, I invite you to consider how are you living out God's purpose in your life? It may be that part of that purpose is to partner with Wellspring Ministries. Much of our prayer counseling is given away to those who have no funds. You can help heal broken hearts by:

1.) Praying for Wellspring
2.) Giving a monthly or one-time gift
3.) Sponsoring a client for personal counseling

Gifts are tax deductible. www.akwellspring.com/donate

Update on Wellspring Ministries

by Dr. Art Mathias

We are thankful for everyone who has prayed for us and given financially to Wellspring! The process of refinancing is almost complete and we are very grateful.

Pacific Northern Academy has leased a portion of our building and they have moved in and are having summer school.

We are still believing and standing on faith for God's provision to continue to minister to, on an average, 30 people per week who are unable to give toward their ministry. We feel strongly that the message of truth through repentance and forgiveness continues to be extended to those who have no funds.

Our on-going challenge is to provide for our excellent prayer counselors and funds for our monthly mortgage and utility payments each month.

Ways you can partner with us: Pray - with us and for us. We can't do this ministry without you!
Sponsor a Client- $250.00 per month, a monthly donation or a one-time gift.

God Bless you!

Dr. Art Mathias

These pictures are from June 29 combining eight village churches for one conference. They are renting buses to bring the people together. We are so thankful for the healing of broken hearts in Pakistan!
