Have a Freedom Night in Your Area!

FREEDOM NIGHT – By Dr. Art Mathias

I just received a text from Pastor Bobbi Clear in The Dalles, Oregon. They have just started teaching "Freedom Night" and had fifty seven people in attendance! What an opportunity to minister to people!

At Freedom Night, we teach the chapters from Biblical Foundations of Freedom in a small group. One chapter is taught each week and then after the last chapter, we just start over again. At our office in Anchorage we have several teachers, who take turns teaching each week.

Many others all over the world are also teaching "Freedom Nights" in their churches or homes. Sometimes they are called "Bible Studies." Whatever you call them, we are very excited to see thousands of people healed and helped!!

What a great opportunity to teach and help others see their broken hearts healed, relationships healed and even physical healing. This is a great way to learn how to minister to others in a group setting.

If you want to know more or how to start a "Freedom Night" please contact us!

PRAYER REQUEST:
Please continue to pray for Wellspring. As you know our tenant moved last summer. We have worked very hard to find another but so far we have not been successful. This means that we have lost $40,000.00 per month in income. We have spent all our savings and have been borrowing about $30,000.00 per month to pay our bills.

- We need a tenant
- Or we need a buyer for our building
- Or someone to pay off the mortgage
- We need to know God's purpose for Wellspring in the future...
- We are out of Biblical Foundations of Freedom and need to re-print. It costs about $27,000 to print the next order...

Please continue to pray for Peggy. We are believing for her healing.
Thank you for your prayers. We are open to your input.

Kenya Wellspring Ministries Conference

We received this email from Joseph in Kenya. God is using him mightily in his area. Please continue to pray for him and Kenya.

"Dear friend in Christ,
May the Name of Jesus be uplifted above all names because when He is lifted up He draws people to Himself and mankind is saved from satanic oppression.
Our Youth conference in February was attended by young people aged 13 to 18 years drawn from schools and churches from Wanjohi. A choir from AIC in Wanjohi performed on the last day.
We had **286** people attend on the first day and **345** people attended on the last day. They could not all fit in the hall and some had to stay outside and follow the proceedings from there. ***16 people gave their lives to Jesus and got saved***. On Sunday, one school girl called Beatrice was greatly convicted of her sins by the Holy Spirit and came forward for salvation confessing her sins of drunkenness and infidelity with a lot of tears. ***12 others came forward for prayers for healing, infilling with the Holy Spirit and other needs***.
This was the largest conference I have ever attended. ***It is a clear indication of what God can do when we offer ourselves as living sacrifices and step forward in faith to serve Him with the whole of our hearts.***
Thank you for standing with us for this conference. We pray that YHWH opens doors of opportunity for us to serve Him and make Him known worldwide. Please keep praying for us constantly as we serve YHWH IN KENYA
Yours in His service." Joseph Chege

Update from Wellspring India

We are so excited to let you know that Wellspring India has begun a new work in a city in the south of India. We travel and teach the Scriptures on a regular schedule and they have begun to experience greater freedom and healing in their families.

People continue to testify of being set free from allergies as they find freedom from fear and self-bitterness. This year, a lady was set free from the lie that she couldn't be healed of her allergy. So many have found freedom from very deep bitterness and anger. There has been some major restoration of relationships

with parents and their children through forgiveness. We have ministered to several married couples and they are growing in love by keeping their hearts free of bitterness.

Wellspring also supports the running of 'Hope Home' which houses over 50 boys from poor and needy backgrounds, many of them being orphans.

We ensure they get a good education and also other skills to help them stand on their own and be useful in society. Hope Home girls was birthed this year and is being set up to take in orphan girls.

We continue to support a ministry in a major city of India that rescues sex workers and their children. We help in providing housing and education as well as bible based solutions to their ongoing struggles.

This year we sent a team to help a ministry in Goa set up their coffee shop on the beaches. The vision of the coffee shop is to "pray, love and comfort Israel" as many Jewish people visit the beaches of Goa. Apart from working to help with the coffee shop, our team also ministers hope and love to several Jewish people who visit with them.

Wellspring India continues to reach out to the community with messages of love, prayer and healing. We have helped several families who are not financially able to send their kids to school. We cover their children's school tuition fee and we continue to support these children because they are ready to learn and are doing extremely well.

Please do pray for us and partner with us. Some of our most urgent needs now are:-

* Help to support the Hope Home boys as their academic classes begin and their many needs to cater to.

* Help with our office and staff. We are so grateful that the Lord opened the doors for one of our staff to come toThe School of Ministry in Alaska for training. We need help to cover the expenses towards that.

* We need a computer to be able to put the message of freedom and healing on the internet so that people from all over the nation can hear the truth through our services and teachings. This is an urgent need as the message has yet to reach many more people in India.
