"Understanding is a wellspring of life to him who has it..."

"I know the Lord is always with me. I will not be **shaken**, for he is right beside me."
Psalms 16:8

Pentecost

Pentecost is one of the special Moadim or Appointed times in Scripture that YHWH has set aside as special and a holy day that He chooses to meet with His people.

In Hebrew it is called Shavuot which means Weeks. It is also called the Feast of Weeks. In English we call it Pentecost which means fifty because Shavuot begins fifty days or seven weeks after Passover.

During these fifty days or seven weeks we count the Omer. This is very interesting because an Omer is a dry measurement that YHWH used to tell the Israelites how much manna to collect for each person. An Omer was always enough no matter how big or small the person was. The Omer could be considered our daily Bread; our Bread from heaven; the Bread that gives life. Who does this remind us of?

Additionally, The Hebrew letters for the word Omer represent an "eye" "water" and "head". Therefore, in the Omer we also see the water which brings life which is our Messiah. So when we count the Omer we are really remembering and rehearsing everything that our Messiah has done and therefore will continue to do for us. He wants us to count, every day, so we do not forget.

Moses was commanded to keep an Omer of manna before the Ark of the Covenant, which was known as "the witness." We too are to remember. The Purpose of counting the Omer is a witness or testimony of what YHWH Yahshua has done for us.

This is also the purpose of Pentecost or Shavuot. At Shavuot we specifically remember that YHWH gave us His Word at Sinai. In His Word are His instructions and precepts that guide our path and provide health to our bones. We celebrate all of His Word because it brings us life. His Words show us how to live a fulfilled and abundant life.

We also celebrate the comforter that Yahshua sent to us after His resurrection. The Set Apart Holy Spirit teaches us and leads us in His paths and provides us an enduement of power to preach the gospel; to cast out demons; to heal the sick; and to raise the dead.

The Omer is the tenth part of an ephah. The fact that the Omer is a one-tenth portion connects it to the tithe or first fruit freewill offering that is also part of Shavuot. In gratitude for what our Messiah has done for us we are to give a special first fruit offering for His work.

So we can see that this is a very special time of the year where we remember, give witness to what he has done, and demonstrate our gratitude with our praise and our offerings. We do not want to be like the Israelites who complained when they came to the Red Sea and accused YHWH of being unfaithful. Maybe you have a "Red Sea" staring you in the face today? How will you deal with it?

At Wellspring we have our "Red Sea." Our tenant, who rents 31,000 sq. ft. from us, is moving about 30 days from now and we do not have a replacement, yet. The rental income from this tenant has provided about $40,000 per month, allowing us to expand our ministries around the world. We now have only 2.8 million dollars left to pay off our ministry center.

It is real easy to worry. But YHWH wants us to remember. He wants us to remember how He has always been faithful. In the last 17 years since I started Wellspring Ministries we have never lacked for anything. We have always had an Omer, which is enough to meet all our needs and those of tens of thousands that we have helped.

This Friday at 7 pm, which is Sabbath, please join us for our Pentecost or Shavuot celebration. We will once again celebrate His faithfulness, healing, deliverance and supernatural provision.

Nepal Relief Update:

We have raised over $30,000 for relief in Nepal thanks to all of the donations sent in! Praise be to Yeshua!!

Here is a update from Pastor Daniel in Nepal:

Dear Friends!
Greetings from Nepal in Jesus' Most High Name!
We are safe and have become stronger in our faith through these earthquakes that have affected Nepal. We are more aware of His everlasting love and care for us as well as more convinced of His immanent coming again.

We are thankful for your prayers and support for our Vision 2020 is speeding up. God has helped us to plant churches in east Nepal on April 11th, Ghusel on April 18th and Belahari near Sunawal on April 25th- the same day the first earthquake hit Nepal.

We were celebrating the Lord's Supper and suddenly we felt trembling, jerking and shaking for just for 58 seconds. We ran out to a nearby field and saw clouds of dust going up all around us. Chimneys from the brick kilns were broking off half way but we continued our celebration of the Lord's Supper. We also dedicated a child and prayed for a couple to renew the marriage covenant. Soon after service we learned that our church fence wall collapsed half way, there was no electricity or phone for awhile. We did have cell phone coverage where we were able to

get some news of what was happening in other parts of our country.

We began to set up tents out in the field next to the church and our house. We had around 100 people for 5 days to help with food, water and shelter in tents.

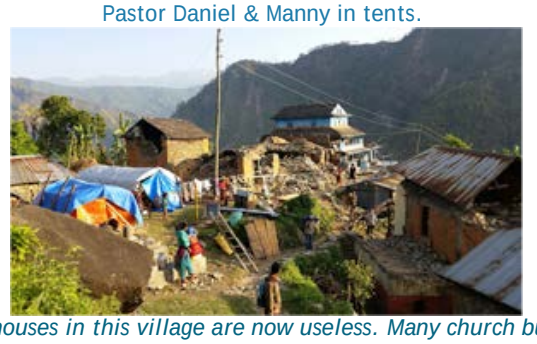

Here are a few pictures.

95% of houses in this village are now useless. Many church buildings are cracked and walls have fallen off. The challenge remains to rebuild quickly as the monsoon rain season is drawing near.

We have distributed rice for over 1000 families in 2 weeks. It is still going on! Thank you so much!

School of Ministry Testimonies

Through the **School of Ministry** and personal ministry at Wellspring I experienced:

~*Lower blood pressure* and *"sound sleep"* and sense of well-being and joy! The areas of my life where I judged others, believed lies about inferiority of women, and that I didn't measure up to unattainable expectations are gone. Through praying to repent of the fear and dread, I now have peace and healing in my body! ~ Sharon

☐It has literally *changed every relationship in my life*. I am able to walk in this world with freedom, confidence and a boldness I never knew before. Fear is gone! I am truly enjoying life and the person I am now. All praise and glory be to YHWH! Coming to the school has also opened my eyes to the Hebrew roots of my faith and thus brought me into a deeper understanding of what it means to be a follower of Christ. (Yeshua)~ Diana

☐*Healing of allergies to dairy, potatoes, tomatoes and peppers*. My emotions are no longer flat lined and I am off my medication for anti-anxiety! ~Linda

☐*Healing of my broken heart!* Free from heavy burdens I have carried for 50 years. ~ Jim

☐*Breakthrough to be free of grief over my son* who died 33 years ago. It was like I needed to carry that grief to honor and remember him. After prayer the load of heaviness lifted and I could see light! ~ Karen
