FORGIVENESS THERAPY DOCUMENTED

"Unforgiveness is classified in medical books as a disease. According to Dr. Steven Standiford, chief of surgery at the Cancer Treatment Centers of America, refusing to forgive makes people sick and keeps them that way.
With that in mind, forgiveness therapy is now being used to help treat diseases, such as cancer."

Forgiveness Testimonies
"It's funny that I see this right now because I was researching ADHD and anger. My son was diagnosed with ADHD and over the past 5-6 months he has shown a huge change in his behavior. He says he can't control his anger. I came across a site, not a Christian site, and it said that the power of forgiveness helps a child with ADHD and anger. I read *Biblical Foundations of Freedom* by Dr. Art Mathias and it helped me with my breakthrough, but I never thought about praying with my 8 year old son the same way and now I see this. Yeah, I hear you Holy Spirit." Stacey P. FB Testimony 5/12/16

"This is exactly what healed me. When I read *Biblical Foundations of Freedom*, I was and healed of lifelong allergies to wheat, dairy, pollen and hayfever. I was also healed of scoliosis, chronic pain, migraines and menopausal symptoms. I exercise more now than I ever did in my youth, and I feel great! Unforgiveness causes pain and illness." 5/12/16

"I struggled with resentments and unforgiveness all my life from what was done to me as a child, and again later as an adult. I always thought that I had to "feel" forgiveness, and I could never feel forgiveness for what they did to me. but learned, that I don't have to "feel" it, I only need to truly forgive them (as in prayer below), and God does the rest. The results in my life for completing forgiveness therapy was healing, no drugs, no surgery, just freedom in my body from pain, sleeplessness and depression. Praise God!" Ella L. FB Testimony 5/12/16
