"Understanding is a wellspring of life to him who has it..."

"Let there be lights in the dome of the sky to divide the day and night; let them be for signs, seasons, days and years… (Gen 1:14)

Dear Wellspring Family,

Thank you! What a great time to be alive!!

October seems to be the time of year that I reflect on all that God is doing. I remember the total solar eclipse last April, just two weeks before Passover. Then the Blood Moon lunar eclipse at Passover. Then just two days ago I was up much of the night taking pictures of the Blood Moon eclipse at Sukkot, along with an incredible Northern Lights display!

In Genesis God said, "Let there be lights in the dome of the sky to divide the day and night; let them be for signs, seasons, days and years… (Gen 1:14) Remember the Star of Bethlehem that led the Magi to Jesus. What is He trying to show us now??

Then next year there will be another total solar eclipse two weeks before Passover; another Blood Moon lunar eclipse on Passover and Sukkot! We are currently beginning a Shemitah year—the Biblical year of rest and reflection that happens every seven years. Then on Yom Kippur 2015 we begin a Jubilee year of restoration that happens on God's calendar every 50 years. Again I believe that we need to be carefully considering these messages from God. He is trying to get our attention! For more information, tune in to our live stream of the Wellspring Yom Kippur service: http://akwellspring.com/podcasts-sermons/

I believe the most important message from God is that He wants all of us to be walking very close to Him. We are living at an incredible time. There will a great harvest for God and there will also be incredible opposition. If we are walking in obedience to Him and His Word, we will be sheltered under His wings and we will be vessels of honor, qualified and trustworthy to be used by Him for any good work! This is where I want to be. I am willing to do what it takes to purify myself to be qualified to be His bride. Are you?

We (The Wellspring Family) are increasing our efforts to

demonstrate His love and mercy all over the world. We have taught His forgiveness all over the world in many conferences in India, Nepal, Pakistan, Philippines, Africa, Mexico, Cuba, America and South America. We have ministered to about 100 people per week in counseling sessions just in the Anchorage office. We taught Ministry Schools in Alaska and Mexico, with students from many nations. We have traveled to India, Nepal, Philippines and Africa and are doing relief work in the Philippines and Pakistan. We have celebrated the translation and printing of Biblical Foundations of Freedom into Nepalese, Hindi and Telugu this year, along with the many other previously completed languages! That is just a little of what we have done and are continuing to do. The Wellspring work is being done by many thousands of people in the Wellspring Family all over the world! Hallelujah!!

I am proud to call you my brothers and sisters! I also believe that YHWH is also very proud to call you His very own special people!

I am also excited that our work is not done. There are millions more broken hearts and broken bodies that YHWH wants to heal. And I know that you also want to do your part to bring His Kingdom to earth as it is in heaven. In reality there is no other answer to all the world's huge problems. Only His love and our obedience can heal the hate, bitterness and murder that we see and hear about every day.

Please take a little time with YHWH and reflect on what you can do in the next year. Can you pray with someone that is hurting? Can you be used to heal a broken heart? Can you attend a Wellspring School or conference to learn more about how you can help yourself and others? Can you teach or minister to others? Can you give? Can you help someone else attend a Wellspring School of Ministry? Can you sponsor a Wellspring Conference in your town? Maybe you can do all of this!!

Please let us know what you can do! Donations can be made through our website, mail or paypal. Without you and your prayers and support Wellspring could not exist. Thank you so much!

God Bless You!

Continued Updates from Nepal

At the Wellspring Office in Alaska we received a email update from the pastors in Nepal. We wanted to share them with you:

> Dear Art,
>
> Greetings and hope you are doing well. Finally we were able to send the money for a motor bike to a pastor in Nepal who is serving in the far east mountains of Nepal. Thank you so much.

We are having a Freedom Night session every Tuesday night about 50 kms away from our place. And God willing will be starting one Saturday also in a new locality ...

We will be going to Goa next week to teach in the local church there. Grace had mailed me today asking to come for a Youth camp ,so I might be going tomorrow and will be back on Monday. Do keep us in prayer.

Blessings,
Joe & Susan

"And they have defeated him by the blood of the Lamb and by their testimony..."

Revelation 12:11

The following are some of the testimonies from the Wellspring School of Ministry July 2014:

"God has brought peace into my life and Wellspring has given me the tools to keep it and see healing come to others and have peace in their lives."

"The Lord has opened up my heart, my eyes and my spirit to receive His word, His voice and His healing to depths I could never have imagined!"

"During the two weeks I prayed believing and forgiving others as well as myself and now my back pain is gone."

"I realized I still had people to forgive in my life that I had bitter thoughts towards them. The bitterness has left and now I want to see them!"

"Wellspring has helped to build confidence in me to minister this same freedom to others."

"My using the tools of repentance and forgiveness it has helped me recognize day to day living issues that need to be taken care of through prayer first, then apply forgiveness to the situation and let God bring about change and outcome to the situation."

"I am confident in the process and have seen the results of it. I want to take this to everyone I know!"
