Wellspring Ministries

"Understanding is a wellspring of life to him who has it..."

October 2020

Wellspring School of Ministry May 3-14, 2021

We are looking forward to our Spring School of Ministry on May 3rd through 14th, 2021. This is a life-changing class we have offered for almost twenty years. Please fill out the pre-registration form on our website and let us know you are planning to be here. Check with your airline and see what is expected/required to fly to Anchorage for two weeks as it gets closer.

"Thanks be to God who works in you to will and to act in order to fulfill His good purpose." Philippians 2:13.

UPDATES FROM ABROAD:

NEPAL REPORT SEPT 2020 - Pastor D. L. We are experiencing the power of God in our midst. People are being healed. Outreach is underway through prayer ministry over the phone and checking on each other. We are also able to help needy families with supplies. Thank you so much for your prayers and help.

I believe this Covid-19 period has given physical rest for the ministers, and time for believers to study

the Word and seek God after this Covid-19 season. I believe post Covid-19 ministry will be more powerful than before. The church will grow and know the assignment for the next season; we are not to expand only but prepare saints for the glorious day. Once again I am thankful to you all for your prayers and giving.

Prayer focus: Flight restrictions lifted locally and internationally. People are crowding in cities because of public transportation and contributing to the spread of the virus. Please pray for churches to be open for gatherings, more outreach to others and healing for physical needs.

KENYA REPORT SEPT 2020 - Pastor J. C. We are grateful in the Lord for continuing to experience His love and favor in perilous times. Covid-19 pandemic is now declining although its effects may take long to overcome.

We have moved into the church building which is very spacious. We are able to social distance and worship in Spirit and truth together! We now have windows installed and are believing for doors. As for now we move the sound system each week to a safe place until we can get doors and locks.

We are still ministering food and supplies to those in need. We are working hard to coordinate a Wellspring Conference with another church in Ogemo, Kisii, Kenya.

Thank you so much for your prayers, emails of encouragement and funds to help those in need at this special time.

PAKISTAN SEPT 2020 - Pastor J. G.

New Church in Model Town

We have a chance to buy land for a new Wellspring Church in a new housing society where many Christians are buying residential plots. This area does not have an official name yet, so we call it "Model Town". There is no land for a church yet, as this is a project from the government. For this reason, the rate is at a lower price than other residential areas. Very important offices and attractions are moving around this area.

Sargodha Chamber of Commerce is without an animal zoo, so a new zoo is being built in this "Model

Town". A local Wellspring Church would be a great testimony in this new area. When a Christian foreign business delegation visits this area, they will visit our Wellspring Church. Every visitor to the zoo, especially children, are interested in visiting churches.

If you would like to partner with us to buy land for a church in this area of Pakistan, here is some information about what land costs:

Size of Plots: 1360, 1904, 2720 and 5440 sq. ft. parcels
Price of Land: 272 sq. ft.= US $ 595
Yours in Him, Dr. J. T. Ghauri
