HOLIDAYS

By Pastor Pat Hadley

Many people love holidays. We usually think of holidays as times like Thanksgiving, Christmas, or even birthdays. In Europe, to take a "holiday" means to go on a vacation.
But the word "holiday" literally means "holy day." Did you know that there are actually holy days in the Scriptures that God tells us to keep? You might know them as "feasts," but the biblical word is "*moedim*," meaning appointments.

"These are the designated times of ADONAI, the holy convocations you are to proclaim at their designated times." (Lev. 23:4 CJB)

These holy days include: Sabbath (Shabbat), Passover (Pesach), Unleavened Bread (Matzah), Firstfruits, Pentecost (Shavuot), Trumpets (Yom Teruah), Atonement (Yom Kippur), and Tabernacles (Sukkot).

Many folks call these Jewish feasts, but actually they are called YHWH's appointments, for all God's people...forever! Here's some reasons why it's important and good to keep these special times:

·YHWH tells us to keep his appointments.

·Yeshua our Savior kept these appointments.

·The first Apostles and early believers in Yeshua kept these appointments.

·Keeping YHWH's appointments opens the door to true revival.

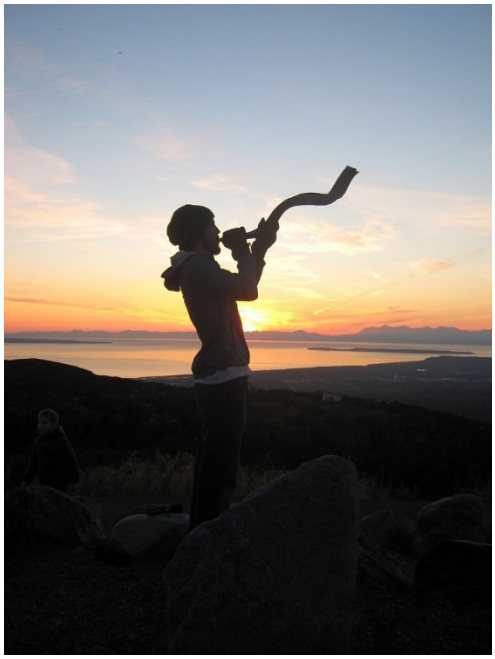

·Each of YHWH's appointments gives us beautiful pictures of the Messiah.

·YHWH's appointments are highly prophetic!

Yeshua died on Passover, was buried on Unleavened Bread, rose from the dead on Firstfruits, and poured out the Holy Spirit on Pentecost. He will return at Trumpets, Cleanse all Israel finally at Atonement, and begin dwelling with us forever at Tabernacles.

What's not to love about these Holy Days? I am thankful that many people all over the world are rediscovering and restoring the beauty of keeping YHWH's appointments. I pray that you if you have not, you will discover the power of his appointments too!

May you be blessed more and more in the Messiah!

Be Encouraged with Testimonies!

"And they have defeated him by the blood of the Lamb and by their testimony..."
Revelation 12:11

The following are some of the testimonies from the Wellspring School of Ministry July 2014:

"I am set free of misconceptions and I am understanding of who I truly am in Christ. I am excited to move forward in this transforming power!"

"I was healed of a broken heart and false burden bearing. I feel "rest" in my body. I am able to "hear clearly" His voice – to help myself first then others for a better understanding of God expressed in the Father, Son and Holy Spirit."

"This spring Anchorage, Alaska had the highest pollen counts ever. By applying the principles taught through Wellspring Ministries I did not have any seasonal allergies. I did not have any reaction whatsoever!"

"I am set free from a rejection mindset that I've had from the womb. A mindset that drove me to drugs, alcohol and strange women."

Update on Flood Relief in Pakistan

Click this link to see videos of our Pakistan team packing relief packages to give out.

Today Wellspring of Pakistan is gathering supplies to hand out to flood victims. Rice, sugar, beans, tea, razors, matches, cooking oil, bath soaps, washing powders, anti

mosquito lotions and coils along with other items. The Wellspring team is working hard to deliver these goods quickly to those in need.

Thank you so much for your compassion for those who are in such critical need. Praying for them at this time is crucial. We appreciate everyone who has helped raise $4,500 towards this financial need. There is so much more to do. This has been and will be an incredible testimony of God's love to the Muslim people.

If you feel compelled to help financially as well as with your prayers, please contact our office or our website with your donations.

God bless you,

Dr. Art Mathias
