# WellspringMinistries

"Understanding is a wellspring of life to him who has it..."

OCTOBER 2015

*"The Spirit of the Lord is upon me, because He has sent me to heal the brokenhearted, to preach deliverance to the captives and recovering of sight to the blind. To set at liberty them that are bruised and to proclaim the acceptable year of the Lord."*
*Luke 4:18, 19*
*(Am. KJB)*

## WELLSPRING AROUND THE WORLD

It is with pleasure we bring you these reports from areas in our world who go by faith to spread the "goodnews" to people whose futures are bleak without a messenger of goodnews. These areas are in need of daily prayers of protection and monetary substance.

Thank you to our Wellspring family for donating each month towards Wellspring or the special projects/disaster relief throughout the year. We cannot do this ministry without you. Please listen to the "still small voice" and obey how you can help deliver the message around the world today.

## PAKISTAN

From Dr. Jefferson Ghauri
"Greetings in the wonderful Name of our Lord.
I am sending pictures of the Adult Education Program we have started in teaching those who cannot read and write using the Bible which is our light in this life!

Here is a picture of the free medical camp that we gave to begin Wellspring Church in Bhalwal. This city is near Sargodha and the Bible School. Seminary students, Gulzar Sardar and Wajid Emmanuel are arranging meetings and ministering to the needs.

Thank you for your prayers. Please pray with us about these new areas to start other Wellspring Churches: Chugha Colony, Gunian Wala and Chak 99 NB."

## *AFRICA: UGANDA*

Pastor David Ndyagenda
"I have conducted a class of twenty members on "How To Minister To Others" in our church. The only problem my computer which had all the teachings on it was stolen and I had to use the book only which was quite difficult at times. In my class I sold ten books, and that's a big sale. My prayer is that many people may read them and get help as I was also helped. I will keep trying as I hold seminars so that many more people can get them.

It is my desire to come back to Alaska for a refresher School of Ministry when funds allow. All in all, I am very happy and a free servant of God. I am very grateful to God for introducing me to the Wellspring Ministries family!"

## *AFRICA: KENYA*

Pastor Joseph Chege
"Wellspring Ministries in Kenya held a powerful conference in Ndunyu, Njeru Kinangop August 26-31, 2015. We were expecting 100 people to attend the conference, but that was exceeded and we had about 120! Participants came from eleven different churches and three countries in Kenya.

We were able to feed and give accommodations in rented guest houses to the glory of God! The weather was dry and made it easier to access the conference. We witnessed a mighty move of God as He worked to deliver His people from satanic strongholds."

Here are a couple testimonies:
"I thank God for enabling me to attend this conference. My family has been experiencing problems and I have had a strained relationship with my wife. Attending this conference enabled me to identify satanic forces which were working against my family. All the sisters in my wife's family have divorced after giving birth to the second child. Through repentance of generational curses in

our family's ancestry, we are set free! Our family is at peace." (Jorge)

"I have had challenges of bitterness especially from friends who became jealous when I involved myself with the work of God. I have been delivered from this bitterness. My discernment is on "high" and I will not allow a root of bitterness to spoil my relationship with God." (Waciku)

"As a pastor, I have struggled with accusing spirits for a long time. They have made me unable to perform my pastoral duties because I feared people. This has made me allow people with ungodly motives to be involved in active roles in the church. I have also allowed sin to thrive in the church without correcting. I have now been set free. I have repented to God and have been forgiven and forgave myself for the sin. I am looking forward to what good things will come from this." (Simon)

## *INDIA: WELLSPRING INDIA*

Pastor Joe and Susan John

Thank you so much for your contribution towards the work here in India. It has truly been a blessing and encouragement to us. We would like to share with you some of the things that have been happening on our side.

We were asked to move from our present house and we have found another place that is more expensive, but will allow us to have gatherings in our house as well. The new place will also need a tank for water and we will need to purchase water weekly as the water there is unusable for drinking. We went through many challenges and doubts about this new place, but have come to realize the area where it is located is unreached for the Gospel.

Our Boys home has a couple new boys and the construction of the Girls home is going well. We are praying and believing this will be completed by December.

As we are preparing for the Fall Feasts, we have been meeting every morning for prayer at 6 am to pray for our city and nation. We felt the Lord call us as intercessors for our land and raise up prayer and blow the trumpets to bring the walls down. We sense that the chains that kept people away from hearing the truth is being broken and we expect to see a good gathering come for the celebrations.

We have been invited to a conference in Singapore and Malaysia and are praying about attending along with bringing our children. We have never taken the children out of India and feel this is a great opportunity. The conferences will be taught by two Rabbis. We are hoping to see how the doors are opening to bring this into India.

Our current needs are: 1) Funds to host gatherings; 2) Support to enable moving to a new house and 3) Funds for travel to the conferences in Singapore and Malaysia.

Please pray for His provision to continue our work. The enemy is doing all it can steal, kill and destroy, but YHWH is still the one true God!"
