Flood in Pakistan

The Wellspring Ministries office received urgent news from our brothers in Pakistan. Here is the email:

Dear Beloved Dr. Art Mathias,
Greetings in the wonderful name of our Lord.
This is an email about the floods in Pakistan where thousands of villages are under the water and more than 200 peoples have died in this flood. Houses are destroyed, children, women and men are crying for food but everything is limited. They are receiving some food relief from government but everywhere water is continually flowing and destroying cities and villages. Floods are destroying crops, many fields are under water and thousands of animals are dead. Many are sick and there is no medical facilities in these areas.

The BBC News Report and CNN Report is here in this link.

This is my request to you as Wellspring Ministries Pakistan if we can contribute and help with flood relief, we can call church members to help these people in Pakistan. They are in need of everything: food, clothes, medicines, shelter, blankets, etc. because everything is destroyed.

Sincerely,
Dr. Jefferson Tasleem Ghauri
