Lesson 14

Satan Kills, Steals and Destroys

OBJECTIVE

Students learn that imitating GOD is always a Good-GOD-Choice. Satan looks for ways to destroy us by using bad words, thoughts, and temptations. We can learn to stop him in our lives, by knowing his voice, and saying no to his temptations.

Hint: Dear Teacher, this prayer is included to bless you and to help you prepare for this lesson.

Teacher Prayer: John 10:10

GOD, when someone chooses to steal, it robs them of the opportunity to lean into YOU to see how YOU will provide for them. Instead, they take matters into their own hands and take something that was never theirs. This is the goal of the enemy, to take something that never was his. When I say yes to satan's temptation to steal YOUR opportunities to help me, I am separated from YOU, infected and led into torment. FATHER it is in this pain/shame of being infected where I am awakened to what/where I let the enemy steal from me. Jehova-Rapha YOU are the LORD who heals and YOU are the only cure for my spiritual, physical, and emotional sickness. Awaken my soul to consider any area no matter how small, that is being infected. Re-establish and re-define who I am in YOUR eyes. Father I pledge to YOU that I will repent of anything YOU show me.

Father, this week I pray for protection over the souls of the children I will teach. Prepare and soften their hearts, open the eyes of their understanding to grasp the truth that there is a devil and show them where he is trying to break and hurt them. I declare every child grasps that they have been given YOUR nature and it is up to them to grow that nature. I decree that every child's heart is soft and teachable to learn who they are in YOU. Father in the name of Yeshua, I speak life into every child who is in class and that YOUR seeds are planted and watered from this lesson.

In Yeshua's Mighty Name.
Amen

Teacher: Satan tears down, GOD builds up. We just watched how using enemy words tears down and destroys. Now let's watch GOD'S words build up and make things work.

Bring out the gears game and have students build their gear set. Students take turns picking up a gear piece speaking aloud the word on the gear in the following sentence "GOD builds with _____"

Examples:

1. GOD builds with Love.
2. GOD builds with Joy.
3. GOD builds with Peace.

Once the gears are set and working, remind the students of the constructive nature of GOD'S truths.

(*Teacher leads students to pray this closing prayer aloud as a group.)*

Prayer: Dear Heavenly Father,

Forgive me for the ways I have chosen to tear things down. I receive YOUR forgiveness and I forgive myself. Strengthen me to gear up for good.

(In the Hebrew style, students touch a shoulder of another student and give the blessing to each other to end the lesson)

Blessing: I bless you to always be the one who gears up for GOD .
