You Are the Light for the World!

September 2021

Dear Friends,

We are living in challenging and incredible times. We have been looking forward to this time for 2000 years! But that does not make it easy. It is a time that we all must come together and help each other. As we face so many serious challenges we must remember these verses:

Matthew 5: 14-16 CJB

14 *"You are light for the world. A town built on a hill cannot be hidden.* ***15*** *Likewise, when people light a lamp, they don't cover it with a bowl but put it on a lampstand, so that it shines for everyone in the house.* ***16*** *In the same way, let your light shine before people, so that they may see the good things you do and praise your Father in heaven.*

We have an opportunity to be a light to a dark world. We can offer

peace and hope and His strategies for this time. Thus we are sending you information to help yourself and others. Attached are three links: First, a letter from Pastor Pat Hadley outlining the basis for a "religious exemption letter" to vaccines. Second, a letter from Todd Bennett, who is an attorney and one of my favorite authors. And third, a powerful letter to an employer from a person who has been a nurse for 46 years. Feel free to use them appropriately at your discretion for your situation.

Join us in praying for His strategy in these times.

God bless each of you!
